Because of the exemplary performance of students in the HKIMO Heat Round, we would like to invite the medalists (Gold, Silver, Bronze) in the **HKIMO 2025 Final Round on August 23, 2025 in Science Park venue, Hong Kong Science Park, Shatin, Hong Kong.**

We believe this is a great opportunity for students to develop their mathematical skills and for educators to learn more about the HKIMO program. We look forward to your generous support and positive response. We are passionate about helping talented elementary and secondary school students around the country who may not have the opportunity to develop their mathematical abilities.

Thank you for your time and consideration.

Thank you and God Bless.

Very truly yours,

**ENGR. KAREN SY**
