No. 0864 , s. 2025

To: Schools Division Superintendents
School Heads
All Others Concerned

**ASSESSMENT OF ELECTRICAL TRANSFORMER CAPACITY IN IDENTIFIED
SCHOOLS FOR PALARONG PAMBANSA 2026 HOSTING**

1. In preparation for the region's hosting of the Palarong Pambansa 2026, the electrical engineers from the Regional Office will conduct an assessment of the electrical capacity of existing transformers in identified schools within the Agusan del Sur Division. These have been identified as potential billeting quarters and activity venues.
2. This assessment aims to evaluate the sufficiency of the current electrical infrastructure to support the projected load requirements during the event. The evaluation shall include:
 - a. Inventory of existing transformers in each identified school
 - b. Load capacity analysis based on projected electrical demand during the Palaro
 - c. Identification of schools requiring additional transformers or upgrades
 - d. Recommendations for procurement
3. The inspection will be take place from August 19 to 22, 2025. During this period, school heads or designated focal persons for the electrical systems are required to be present to assist the inspection team and provide necessary information.
4. The list of identified schools in Enclosure 1.
5. Immediate dissemination of this memorandum is desired.
