MONITORING COMPLIANCE WITH PRE-SESSION 3 REQUIREMENTS
FOR KHAN ACADEMY INTEGRATION TRAINING PROGRAM

1. The Department of Education - Caraga Region will conduct Session 3 of the Khan Academy Integration Training Program entitled "Data-Driven Teaching with Khanmigo AI Tools" scheduled on October 18-19, 2025, across four strategic clusters covering all participating Schools Division Offices in the region. This session will focus on advanced dashboard analytics and AI-powered teaching assistance to systematically address critical learning gaps and enhance instructional delivery through data-driven approaches. In preparation, **all School Heads with Khan Academy implementing teachers** must ensure compliance with the pre-Session 3 requirements. Division Math Supervisors shall monitor and verify compliance at the division level.

2. This monitoring ensures that Khan Academy implementing teachers have completed all preparatory activities and are ready for the advanced training on data-driven teaching with AI tools.

3. School Heads and Division Math Supervisors shall use the compliance monitoring guidelines and verification procedures available at **<https://tinyurl.com/KAPhS3Preps>** to assess teacher readiness. Schools must compile and retain all required documentation to support the verification process.

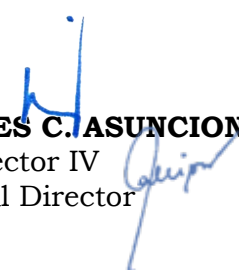

4. Eligible to participate in Session 3 are teachers who have:
- completed Session 2 (either during previous SY implementation or on August 9, 2025), and
 - fulfilled all pre-Session 3 requirements.

This includes Mathematics, Science, and ALS teachers from Grades 1 to 12, along with other designated education personnel.

5. School Heads are directed to coordinate with their respective Division Math Supervisors for compliance verification and submit all required documents by October 10, 2025.

6. For inquiries, contact Ms. Rhea J. Yparraguirre, Education Program Supervisor in Mathematics, Curriculum and Learning Management Division at **rhea.yparraguirre@deped.gov.ph**.

7. Immediate dissemination of this memorandum is directed.
