The **Wildlife Quiz** has been an effective strategy in making high school students aware and knowledgeable of the concepts and important related matters on Philippine biodiversity. With this, we would like to respectfully request for your support through your respective science program coordinators to officially invite public and private secondary schools in Caraga to participate in this activity. We are aiming to reach at least 15 competing schools from the 5 provinces all over the region. Interested schools must pre-register on or before **September 19, 2025**. The pre-registration form, guidelines for joining and the mechanics of the activity are attached for reference and dissemination.
