TURNOVER OF SOLAR POWER SYSTEM, STARLINK CONNECTIVITY, AND BLENDED LEARNING TOOLS UNDER THE AURORA PROJECT

1. In line with the Department of Education's commitment to support Last Mile Schools through strategic partnerships, this Office hereby informs all field offices and concerned schools of the scheduled turnover ceremony and site activities from June 1–3, 2026. This initiative forms part of the Aurora Project, a Corporate Social Responsibility (CSR) program of the Aboitiz Foundation, Inc., aimed at enhancing access to sustainable energy, reliable internet connectivity, and blended learning resources.

2. Schedule of Turnover:

Division	Date	Name of School
Cabadbaran City	June 1, 2026	Ansili Elementary School
Surigao City	June 2, 2026	Sumilom Elementary School
Surigao del Norte	June 3, 2026	Nagubat Elementary School

3. The activity will be attended by distinguished partners, including regional office personnel.
4. The support package to be provided includes the donation and installation of a 5 kVA Solar Power System, provision of Starlink Satellite Internet Connectivity, and distribution of Blended Learning Tools, which collectively aim to strengthen school capacity by improving access to electricity, digital connectivity, and quality learning resources in Last Mile Schools.
5. All division focal persons, school heads, and staff are encouraged to extend full support and cooperation during the visit to ensure its success.

6. For your information and guidance
