Dear Director Bringas,

Oral health is one of DOH CHD Caraga Programs initiated to pro-actively advocate Oral hygiene across all ages to the community. Proper oral care is fundamental to the well-being and quality of life. A healthy mouth enables people to eat nutritious meals, speak and socialize without pain, discomfort and embarrassment.

For further information and inquiries, your staff may contact **Dr. Dana Balansag** at **cellphone number 09451337806** or email us at lindalmercado@gmail.com

Thank you.

Truly yours,
