SUBJECT: Invitation to invite your colleagues in the 3-Day Training on Localizing Referral Pathway and Learning Exposure in the Red Light Districts in Cebu, October 21-23, 2019, Cebu City

Dear Regional Director Bringas,

Greetings of peace and solidarity!

Justice, Peace & Integrity of Creation- Integrated development Center, Inc. (JPIC-IDC, Inc.) is a non-stock, non-profit, non-government organization duly registered with SEC, DSWD and accredited under Philippine Council for NGO Certification. In the areas of Caraga Region, our organization has been implementing intensive education and prevention thru awareness raising and capacity building on anti-human trafficking issues for nine (9) years. Now, we are still on the verge to widen our scope in combating issues on human trafficking in one of the province in Caraga particularly in Surigao del Norte.

CINEMOBILE Phase 4 "Structure and Capacity Development towards Ending Trafficking in Persons in Surigao del Norte, Caraga Region, Philippines" is currently implementing its project in the whole Province of Surigao del Norte and partner LGUs, however we also include in our interventions those areas with transportation (port and airports) and high influx of tourism. The objective of the project is to contribute to the reduction of human trafficking and sexual exploitation of children and women by providing competency enhancement training for the prosecutors, law enforcement, intensified advocacy activities as well as installing mechanisms by engaging tourism sector to proactively combat trafficking in persons.

The project has been engaging with the Local Committee Against Trafficking (Surigao City, Municipalities of Claver, Socorro and General Luna) and the Provincial Committee Against Trafficking & Violence Against Women and their Children (Surigao del Norte) for the past months, inviting them to capacity buildings, action planning and consultation meetings. A salient issue wherein institutionalized referral system for human trafficking cases was noted by these committees. To address this pressing issue, Cinemobile 4 will conduct a **Learning Exposure and Referral Pathway Training Workshop on October 21-23, 2019** at Golden Valley Hotel, Junquera St., Cebu City.

The activity aims to expose the PCAT-VAWC members to the different red light districts in Cebu City wherein locals from Surigao del Norte may be trafficked and exploited. Also, it is a venue for the members to learn from the existing mechanisms of the city, on how they fight human trafficking. And lastly, that the PCAT-VAWC and the LCAT-VAWCs produce their own localized referral pathway for human trafficking cases, making the coordination and response from each agency involved clearer and more concrete.
