Regional Director

Department of Education - CARAGA

Butuan City

Attention: **Chief of Curriculum and Learning Management Division**

Dear Dr. Bringas,

Warm Greetings from Resources for the Blind, Inc.

With the increased awareness and implementation of inclusive education into our public school system, instruction of ICT disciplines to learners with visual impairment is perceived to be a challenge both to the instructor and the learner. For this purpose, we are organizing a **three-day Training on Non-Visual Desktop Access (NVDA)**, a screen reader application that enables a visually impaired to access regular computers and common programs. This activity will be held on November 13 – 15, 2019 at We R Inn Hotel, Bajada, Davao City.

In view of this, we are inviting selected ICT teachers from different schools within Mindanao region to attend in this training. There will be a registration fee of Php1,000.00 to defray other expenses. RBI will shoulder the board and lodging of the participants and materials during the training. However, the transportation expenses and registration fee will be charged to local funds/MOOE subject to its availability. The participants are required to bring their own laptop.

For confirmation and inquiries please contact us at (082) 322-3142, (smart) 0998- 963-9049 from Monday to Friday 8:00 AM to 5:00PM. Attached is the list of participants.

Looking forward for your positive response.

Sincerely,

GINA S. PANULDE
