We are pleased to inform you that the PhilGEPS has been benchmarked and studied by neighbouring countries who envision having their own central e-procurement system. In all these international gatherings, the efforts of the Philippine government in pushing for reforms in government procurement were recognized and commended. Multi-lateral development partners like the World Bank (WB) and the Asian Development Bank (ADB) acknowledge the fact that the PhilGEPS is a viable instrument in the government's efforts at improving efficiency in the procurement function and has accepted the PhilGEPS for application on ADB and WB- funded procurement projects.

The PhilGEPS System Modernization Project is on-going and is aimed to improve on the technical design and architecture of the system to ensure further efficiency and streamlining towards full implementation of electronic procurement in our country.

It is for this reason that we are extending this invitation to your **Schools Division and all the schools within its jurisdiction** to attend the PhilGEPS Training for Phase 1, and all other succeeding trainings for new system developments on the PhilGEPS so you so you can re-visit and familiarize yourself again with the use of the PhilGEPS and keep pace with the systems upgrade.
