Subject: *Request for Department of Education-Caraga Partnership
and Endorsement for Online Rally of Hope Philippines
on February 6, 2021*

Dear Dr. Bringas,

Greetings of Peace and New Year!

The Universal Peace Federation would like to **partner** with the Department of Education- Caraga and request for an **endorsement** from your good office for the "Rally of Hope Philippines," a **virtual event, which will be conducted on February 6, 2021 from 3:00 -5:00 PM and will be broadcasted in the television and livestreamed by PTV4.**

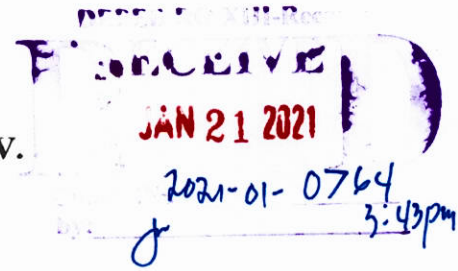

The theme for this online event is: **"One Million People Praying for the Healing of the Nation and the World."** It will be a **united and interfaith event** calling for the healing of the world from the COVID-19 pandemic, for the healing of Mother Earth from the ruins of climate change, and for the healing from social divisions ripping apart our human family.

This rally will be a global platform for international and Filipino dignitaries to amplify their collective voices in humility and prayer beseeching heaven's intervention during this time of unprecedented challenges. Through inspirational messages, speakers will explore the opportunities for peace at the individual, family and national levels by building on the common ground we share as one human family under God.

One of the build-up programs prior to the Rally of Hope Philippines is an **Asia Pacific-wide inter-school competition for students and young professionals in public speaking** called S!NERGY and; from which the finalists of the said competition will be featured in the online event. Such activity will provide our youth with a reliable platform to freely discuss their ideas and in providing positive solutions to pressing issues in their respective societies and countries. It will also immensely benefit the Filipino students and young professionals by empowering them to play a role as part of a global community and giving them hope during such trying times.

The event will also feature a donation drive for relief operations that are being conducted by UPF-Philippines for the families and communities affected by the various calamities that swept our nation recently. Another project this campaign will support is the "Billion Tree Planting and Growing Project" to be done in partnership with the LGU of Baggao, in the Province of Cagayan, which is one of our confirmed project pilot provinces.

Through the years, UPF has been steadfast in our advocacy to provide platforms for education and outreach for peaceful nation-building. We have a strong interreligious component, youth empowerment activities and programs

With regards to the partnership and endorsement request, we kindly ask the following:

1. Endorsement letter or a statement of support, released by your office, for the Rally of Hope Philippines;
2. Permission to include DEPED Caraga's logo on all our event materials like posters, website and on social media platforms, as one of our major partner organizations and;
3. Sharing or promotion of Rally of Hope Philippines on DEPED Caraga's official website and social media platforms, to encourage more Filipinos to participate.

Dr. Bringas, your support and endorsement of this event and partnership will be vital and much appreciated in its contribution to the success of the Rally of Hope Philippines and its cause. It will also trailblaze a significant era for the Philippines, where the Filipinos especially our youth's awareness and empowerment, now more than ever can guarantee the strength and future of our beloved nation.

Should you have any questions or need further explanations, please do not hesitate to have your office call or email us back thru Mrs. Almera Grace Mayo at CP No. 09086534005; email: almera347@yahoo.com . We are also willing to discuss further the details of this request for partnership and endorsement, in persons at any of your convenient time and place.

May God's blessing and protection be upon you always.

Sincerely yours,

ALMERA GRACE MAYO
PR Assistant Director, UPF
