Dear Dr. Fetalvero,

With our continuing efforts to look after the welfare of Filipino public educators, CitySavings has responded to DepEd's call to ensure teacher's wellbeing at this challenging time.

In celebration of the National Women's Month, we will be conducting a **Breast Cancer Awareness Webinar for DepEd Teaching and Non-Teaching Staff** through our Project Pink Program. This activity aims to educate and raise awareness among public school teachers on prevention and early breast cancer detection in order to reduce the risk of breast cancer cases among women.

This will be conducted on March 18 & 26, 2021 at 2 pm via Zoom.

In relation to this we would like to invite **30 representatives for each date** from your Region to join. More details of which will be given to your chosen/interested representatives.

Please give a list of your selected participants with their email addresses and contact numbers to Mr. Jonathan A. Lagura, Branch Business Head – Butuan Branch at 0917-852-3699 or email him at jonathan.lagura@citysavings.com.ph on or before March 12, 2021.

We are looking forward to your positive response and support on this health advocacy on breast cancer awareness.

Yours sincerely,
