Dear **Dr. Fetalvero**:

Greetings from Pisay Caraga!

The Philippine Science High School - Caraga Region Campus (PSHS-CRC) promotes science and technology for a progressive and safer society. We strive to help develop awareness and social responsiveness of the community members during this COVID-19 pandemic. The School supports the vaccination program of the government in Caraga Region especially for us in the basic education sector.

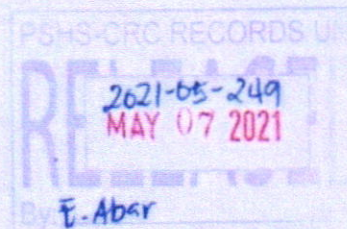

As such, in coordination with the Department of Health – Center for Health Development Caraga Region, we will conduct an Outreach and Science & Technology Promotion Activity on COVID-19 Vaccination Awareness in Caraga Region on May 12, 2021, from 1:00pm – 5:00pm via Zoom and Live Streaming on Facebook. Here's the registration link: <http://bit.ly/Covid19VaccineAwareness>.

In relation to this, we would like to invite your good office, teachers, non-teaching staff, students and parents of all schools supervised by DepEd Caraga to the said activity. We believe a higher level of awareness on the government's COVID-19 vaccination program among our teachers, non-teaching personnel, students and parents will be crucial to getting our basic education sector in Caraga Region to a better new normal. Attached is the program for reference.

Thank you very much for your usual support.

Very truly yours,

ENGR. RAMIL A. SANCHEZ
