SUBJECT : Qualified Applicants for DOST-SEI Scholarship

DATE : 26 April 2021

The Department of Science and Technology (DOST), through the Science Education Institute (SEI) has been providing graduate scholarship programs for DepEd personnel. Two of which are the Capacity Building Program in Science and Mathematics Education (CBPSME) and the Science and Technology Regional Alliance of Universities for Inclusive National Development (STRAND).

Both are national consortium scholarship programs for master's and doctorate degrees in science and mathematics education. CBPSME aims to improve the quality of education and accelerate the development of critical mass experts in Science and Mathematics Education, while STRAND aims to reach out and support the higher education institutions in the provinces that need to be strengthened in terms of developing human resource capabilities.

On 12 July 2018, the Department of Education (DepEd) signed a Memorandum of Understanding (MOU) with DOST which enables DepEd's teaching and non-teaching personnel to avail of the CBPSME.

With this, DepEd reviewed and validated the list of qualified scholars based on Department Order 68 s. 2009 - *Scholarship and Training Grant/Fellowship Pool* which states that potential scholars must have been in the service for *at least 5 years* and must have at least, Very Satisfactory performance rating for the last two years.

The difference between the applicants' date of application, as indicated in the form submitted, and first day of service as a permanent employee, was used in determining their number of years in DepEd.

Attached is the list of scholars who can file their leave on **Official Time** for the **duration of their scholarship**.

For questions and clarifications, you may email the DepEd Scholarship Secretariat at scholarships@deped.gov.ph
