Joint Memo No. 002, s. 2021

JOINT MEMORANDUM

16 September 2021

**For: Regional Directors and BARMM Education Minister
Schools Division Superintendents
School Heads
All Others Concerned**

**Subject: MAXIMIZING THE USE OF DEPED TV AND
OTHER LEARNING DELIVERY MODALITIES**

As School Year 2021-2022 officially begins, the Offices of the Undersecretaries for Administration, Curriculum and Instruction, and Field Operations strongly emphasize the need to maximize the use of DepEd TV as part of the learning delivery modalities under the Basic Education-Learning Continuity Plan (BE-LCP).

The Department of Education (DepEd) has estimated that 13.91 million of the total number of learners enrolled in the previous school year have access to DepEd TV, making it one of the most widely available modalities for distance learning.

As one of the most equitable ways to deliver educational content, DepEd TV provides an avenue to accommodate the different learning styles of learners. TV episodes are designed with more interactive components to capture and sustain learners' interest while leading them to the attainment of the targeted competencies. Hence, this resource should be effectively utilized and maximized. This can only be done through awareness campaigns and information dissemination at the regional and division levels, so that learners and their families are informed about DepEd TV's accessibility and programming schedule (See Annex A).

In this regard, all regional and division personnel are hereby enjoined to actively promote the use of DepEd TV and DepEd Radio (Radio-based Instruction) alongside the other distance learning delivery modalities to maximize the learning experience of learners. In addition, teachers are requested to submit a quarterly report on the use of DepEd TV as part of teaching modalities in the new normal (See Annex B).

These reports will be used to assess DepEd TV's efficacy and effectiveness in ensuring that learners understand the lessons and competencies they must master over the school year. The information gathered will aid in the development of alternative solutions and enhancements to the program to reach out to more learners and teachers, particularly those who do not have access to the internet.

For questions and concerns on this subject, kindly contact Mr. Mark Anthony C. Sy, Head of the Information and Communications Technology Service – Educational Technology Unit (ICTS-EdTech), through email at mark.sy002@deped.gov.ph or Ms. Rosalie E. Annex B: Reporting Mechanism of Learners and Teachers Using DepEd TV

The DepEd TV episodes may be combined with other modalities of instruction to ensure that each competency/lesson that our learners must attain for the entire school year is delivered and understood. Schools are hereby requested to submit a quarterly report on the applicability and maximum usage of DepEd TV video lessons as part of determining the efficacy and usefulness of these resources.

The following are the steps to submitting a quarterly report on DepEd TV efficacy and usage:

1. The document must be written by the school's ICT Coordinator and signed by the school's Head or Principal.
2. The document will be sent to the District ICT Coordinator for double-checking and data verification.
3. The Division Information Technology Officers will receive the completed paper (ITOs).
4. The Division ITOs will compile and deliver all reports to their regional counterparts.
5. The Regional ITOs will create a summary report on the total number of teachers and students who have accessed and used DepEd TV programs. These reports will be delivered to their respective Regional Directors.
6. The Regional Directors shall provide the MANCOM with a summary of the results on a regular basis.
7. The ICTS will compile a report of the findings and take appropriate action as needed.
