Dear Dr. San Antonio:

Greetings of peace!

We, the junior students of the Bachelor in Values Education at Philippine Normal University, are currently conducting a study entitled, ***"K-10 Values Education Teachers' Academic Qualifications and Teaching Effectiveness in the Philippines"*** as part of our course requirements in 2S-VE24 Research 2 Thesis Writing in Values Education.

The purpose of this study is to examine the qualifications and parameters of teaching effectiveness of Values Education teachers across the country in proposing qualification standards apropos of the Republic Act 11476 otherwise known as Good Manners and Right Conduct and Values Education Act. In line with this, the researchers seek:

1. To identify Values Education teachers' qualifications in terms of their educational and professional background
2. To determine Values Education teachers' teaching effectiveness according to the seven domains of the Philippine Professional Standards for Teachers in face-to-face and online distance learning; and
3. To correlate Values Education teachers' academic qualifications and teaching effectiveness in face-to-face and online distance learning.

In order to attain these objectives, we would like to ask for your agency's assistance in disseminating our survey questionnaire to the regional directors. We aim to collect data from K-10 Edukasyon sa Pagpapakatao teachers across the country.

This research has been reviewed and in compliance with research ethics provisions of the Philippine Normal University. Rest assured that the data will solely be used for the purpose and objectives of the research.

Your office together with other units of the Department of Education will be furnished with e-copies of the results of the study. Invitation for public presentation and dissemination of results will also be extended to all teachers and stakeholders of DepEd.

May this request merit your attention and approval.

Thank you very much.
