Dear Director Torno:

Greetings of goodwill!

The Philippine Science High School System (PSHSS) is mandated to offer a secondary course, on a free scholarship basis, with special emphasis on subjects pertaining to the sciences with the end view of preparing its students for a science and technology career under the flagship of Department of Science and Technology. Entrance to the PSHSS is through the National Competitive Examination. The NCE aims to select the next "Iskolar ng Bayan" to be nurtured for the next six years.

In connection to this, we seek your utmost support for our intensified campaign for qualified grade six pupils to take the NCE on **October 20, 2018**. The deadline for the submission of application forms along with the required documents will be on **September 14, 2018**.

Further, please allow our staff to conduct a school-to-school information drive to further advertise PSHS - Caraga Region Campus and to retrieve application forms from the different divisions in the region starting **June 4, 2018** to **September 14, 2018**. The campaign will include distribution of leaflets and application forms and posting of tarpaulins to approved places. We would also like to request for your assistance in the transmittal of the NCE forms to the different divisions in the region.

The presented schedules above are official school days; rest assured that no classes will be disrupted in the conduct of the information drive.

Furthermore, please allow us to ask for the list of the division superintendents with their corresponding office addresses and if possible official contact numbers, so that we can send them the application forms.

Attached is a sample application form. Should you wish to have a copy.

We are hoping for your positive reply on this regard, and we look forward to more prolific year working with your office to provide quality education to the Filipino youth in Caraga.
