SUBJECT : **CONDUCT OF CHILD PROTECTION COMMITTEE (CPC)**
eLEARNING COURSE PILOT

DATE : December 6, 2022

The eLearning course on child protection concerns, developed through the collaboration of the DepEd Child Protection Unit (CPU) and Stairway Foundation Inc. (SFI), capacitates the participants in fulfilling their roles in child protection committees (CPCs). It orients them with the relevant laws, policies, and DepEd orders on child protection, assists them in crafting the school-based child protection policy, supports them in developing information, education, and communication (IEC) materials for advocacy promotions, and familiarizes them with the duties and responsibilities of the Central Office, Regional Offices, Division Offices, schools, school personnel, learners, and CPCs.

At the end of the course, the participants are expected to realize that with all the active participation and coordination of the child protection committees (CPCs) in the Philippines, the protection of the children against abuse, exploitation, violence, discrimination, bullying, and other acts of abuse will be fully guaranteed, which also in line with CPU's motto: "Karapatan sa Ligtas na Paaralan, Sama-samang Makakamtan."

Prior to the wide-scale implementation of the eLearning course, a pilot testing shall be conducted in partnership with SFI's CyberSafe Schools Project (CSP). The pilot

testing aims to gather initial feedback on the quality of inputs and technical resources participants may acquire after completing the eLearning course.

Thus, **all CPC members** of the CSP partner schools identified in **Enclosure 1** are required to participate in the pilot testing. Likewise, all CPU Schools Division Office (SDO) focal persons identified in **Enclosure 2** are required to participate in the pilot testing.

Further, the identified CPU SDO focal persons must:

- select the indicated number of schools (Enclosure 2) in their respective Divisions to participate in the pilot testing; and
- ensure that **all CPC members** of the selected schools participate in the pilot testing

The pilot testing will run **from December 20, 2022 to January 16, 2023**. A self-enrollment guide is provided in **Enclosure 3**.

At the end of the pilot testing, the CSP will conduct focus-group-discussions with selected CPC members who completed the eLearning course.
