IMAGERY

LOGO PLACEMENT

For logo placement in print and nonprint materials, the DepEd-MATATAG logo must be placed either at the top or bottom portion of the canvas. The Department's official social media channels may be placed at the footer of the material.

IMAGERY

COLORS

Different color schemes based on the color wheel may be used (e.g., complementary, analogous, monochromatic, etc.). It is highly encouraged to limit the colors to four (1 light + 1 dark + 2 vibrant accents).

Ensure that the colors are consistent with the color scheme of the Department and that the overall design has a cohesive and harmonious palette.

Brand Guidelines

IMAGERY

TEXT

Never use more than three fonts in one design. Always define a hierarchy among them by exercising visual contrast through size, weight, or color. Use consistent style and appropriate sizes.

LAYOUT AND COMPOSITION

Use a grid. Grids create a connection between the different elements and give a sense of order.

Give each element on the canvas some space to breathe and balance between positive and negative space will emerge organically. Choose a single focal point that will catch and hold attention.
