TRAINING ON ANTHROPOMETRIC MEASUREMENT AND FOOD SAFETY

1. This office, through the Education Support Services Division (ESSD) – Health and Nutrition Unit shall conduct a training on Anthropometric Measurement and Food Safety on March 30-31, 2023 at Hotel Oasis, Butuan City.
2. The training aims to update the School-Based Feeding Program (SBFP) field implementors on the proper way in taking the anthropometric measurement of learners, which is crucial in identifying the target beneficiaries. It is also important to ensure that the food products given to learners are safe, thus knowledge on the proper handling of food from storage, transport and distribution is essential to prevent contamination and spoilage, thereby also preventing food poisoning and other food-borne illnesses.
3. Participants of this training shall be the Division Medical Officers and the Division SBFP focal persons. In the event that the identified participants cannot attend, it is requested that alternate representatives (2 slots per Division) be sent to the training. All participants are expected to arrive at the venue on March 30, 2023 at 8:00 AM, breakfast will be served.
4. Travelling expenses of participants shall be charged to local funds subject to the usual accounting and auditing rules and regulations.
5. For your information and dissemination.
