The Pantawid Pamilyang Pilipino Program (4Ps), under the Department of Social Welfare and Development Field Office Caraga, acknowledges the significance of key collaborators in facilitating the program, particularly in the monitoring process. Ensuring that these partners have the chance to convene and receive direct feedback and updates is crucial. The program recognizes the significant contribution of partner implementers in the education sector, as they play a pivotal role in effectively achieving the program's objectives and benefiting the intended beneficiaries.
