REGIONAL DIRECTOR
DEPARTMENT OF EDUCATION CARAGA

Dear Ma'am/Sir

Greetings of respect!

The JSL Arts Educational Resources, manufactured a Limestone Marble Mosaic Painting Set In response to one of the objectives of K to 12 Curriculum in Art for Grades 1-10 which states, "To demonstrate understanding of lines, colors, space and harmony through painting". They chose limestone as their prime materials because of its numerous advantages such as resistance, elegance, uniqueness and affordability. This art set aims to develop the students art skills; apply their skillful talent by mixing colors; develop the students eye and hand coordination through art work and; demonstrate understanding of lines, colors, space and harmony through painting.

In relation to this, JSL Arts and Educational resources would like to respectfully request approval from you good office to allow us to coordinate to the principal and to demonstrate to Mapeh teachers the Limestone Marble Mosaic painting set. This set would require the student to paint using a toothpick instead of a paintbrush to develop their eye and hand coordination as well as their patience to Artwork.

We pervently hope your most positive response on this request as aim to not just promote our product but to help the school and most importantly the students.

Thank you very much and more power!

Respectfully yours,

MYRA P. CASULLA
