REGIONAL ADVISORY
No. 008, s. 2019

SALINLAHI EVOLUTION WORKSHOP IN MINDANAO

To: SCHOOLS DIVISION SUPERINTENDENTS
This Region

1. The Salinlahi Evolution Workshop in Mindanao shall be held on January 31, 2019 in Davao City.
2. Attached hereto are the letter invitation from Luningning E. Samarita-Domingo, Director IV of the National Academy of Science and Technology, Philippines and the mechanics of the workshop.
3. Participants shall be a team of four (4) high school students and one (1) accompanying teacher.
4. Interested teams may register at www.bit.ly/salinlahievolution. For inquiries, you may call (02) 837-2071 local 2173 and look for Mr. Angelito Navarro and Ms. Liezl Petalio.
5. This advisory is issued to the discretion of the Schools Division Superintendents, including the source of funds, if the said activity is very necessary, relevant and educational. However, this office reiterates the strict compliance of **DepEd Order No. 9, s. 2005 "Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith"**.
6. For your information and guidance.

FRANCIS CESAR B. BRINGAS

DR. FRANCIS CESAR B. BRINGAS
Regional Director
Department of Education Regional Office XIII
Butuan City, Agusan del Norte

Dear Dr. Bringas:

The **Philippine Science Heritage Center (PSHC)**, under the management of the National Academy of Science and Technology, Philippines (NAST PHL), is a prime government center mandated by Republic Act No. 9107 to honor Filipino scientists and their contributions to the world of science through exhibits and different activities.

One of the activities of PSHC is the **Salinlahi Evolution v 3.0**. It is an app development competition, with the theme "Science Retro Bit", open to teams of at most four (4) high school students. It aims to encourage the youth to produce computer or mobile learning games anchored on science and technology.

As part of the requirements to join the contest, a **Salinlahi Evolution Workshop** will be organized in Metro Manila, Luzon, Visayas, and Mindanao to serve as a levelling-off activity to the participants. Through this workshop, we hope to improve the skills of the participants and identify and answer the common problems encountered during the process of developing a mobile application.

The **Salinlahi Evolution Workshop in Mindanao** will be held on **January 31, 2019** in **Davao City**. A team composed four (4) high school students and one (1) accompanying teacher may join this workshop. Interested teams may register at www.bit.ly/salinlahievolution. May we ask for your **assistance in disseminating this information** to high schools under your supervision? Attached is the poster of the **Salinlahi Evolution v 3.0** for your reference.

For inquiries, you may call us at **(02) 837-2071** local **2173** and look for Mr. Angelito Navarro and Ms. Liezl Petalio or email us at salinlahi.nast@gmail.com. We look forward to your positive response on our request.

Thank you very much.

Sincerely yours,

LUNINGNING E. SAMARITA-DOMINGO
Director IV

SALINLAHI EVOLUTION

v 3.0

AN APP DEVELOPMENT COMPETITION

THEME:

SCIENCE RETRO BIT

Salinlahi Evolution is an app development competition open to teams of no more than four people. It aims to encourage the youth to produce mobile learning applications anchored on science and technology. Applications submitted in the competition will have a chance to be featured at the Philippine Science Heritage Center, an institution enacted by Republic Act No. 9107 to recognize the outstanding contributions and achievements of Filipinos in the field of Science.

... Eligibility ...

1. Salinlahi Evolution is open to high school teams of no more than four (4) people with at least two (2) Grade 11 members or lower (as of Academic Year 2018-2019).
2. Teams should attend the Salinlahi Evolution Workshop to be organized by the Philippine Science Heritage Center in Manila (4th Quarter of 2018), Luzon, Visayas, and Mindanao (1st Quarter of 2019).
3. Third party developers are not allowed.

... App Specification ...

The application to be developed should meet the following specifications:

1. Should run on a smart phone or an android tablet;
2. Should be compatible with Android 4.4 kitkat or higher;
3. Should run without internet connectivity;
4. Must be in English or Filipino; and
5. Should incorporate science and technology concepts, preferably reflecting the aim of PSHC to honor and promote Filipino scientists and their contributions to society.

... Criteria ...

The submission will be judged according to the following criteria:

Relevance to theme	25%
Application Mechanics	20%
Graphics	20%
Sound	15%
Originality	10%
Trailer	10%
Total	100%

WIN
PHP 50 000
1ST PRIZE

PHP 30 000
2ND PRIZE
PHP 20 000
3RD PRIZE

**AND A CHANCE TO BE FEATURED
AT THE PHILIPPINE SCIENCE HERITAGE CENTER**

... Requirements ...

The following requirements must be submitted on or before **September 30, 2019** at the PSHC Office, Ground Floor, Science Heritage Building, OOST Complex, Bicutan, Taguig City:

1. Accomplished Salinlahi Evolution entry form (can be downloaded at www.nast.ph or requested through email at salinlahi.nast@gmail.com);
2. Certification from the school indicating the Grade levels of the members of the team;
3. Photocopy of Certificate of Participation from the Salinlahi Evolution Workshop;
4. App abstract containing 400-600 words consisting of information about the application, its description, rationale, and concepts printed on an A4 size paper with 11 pt Arial font;
5. App demonstration video illustrating how the app is played/used (2-3 mins, file type is .avi);
6. Copy of digital application;
7. Application instruction, technical requirements and installation description printed on A4 size paper following the format of the app abstract; and
8. Trailer video for advertisement and marketing (1-2 minutes long; file type is .avi).

Five (5) copies of the requirements mentioned must be submitted, including a soft copy of all write-ups and videos burned on separate CDs/DVDs. Upon submission, all materials will become property of the National Academy of Science and Technology, Philippines.
