CARAGA STATE UNIVERSITY DEBATE SQUAD

January 13, 2019

FRANCIS CESAR BRINGAS
Regional Director
DepEd Regional Office Caraga
Jose P. Rosales Avenue, Butuan City

Sir:

We are living in an age where public discourse is becoming an increasingly critical tool. Where the voice of the individual is gaining traction towards affecting changes for the better, and without the important ability to rationalize and express, one would be rendered helpless against an uncaring world. Debating is one of these important abilities. To debate is to analyze. To debate is to understand. This method of communication allows for the objective evaluation of two opposing sides, and is therefore a widely used function in assessing the world around us.

The **Caraga State University Debate Squad** is up for the challenge of nurturing communication and reasoning skills all around us. In order to forward this dream, the **Kalagan Debate Open** is organized.

It is an **Asian Parliamentary Style** debate tournament open to all **Junior and Senior High School** across **Mindanao**. This tournament is designed to be a dynamic training ground for budding high-school debate societies, and more importantly to plant the seeds of inquiry and the culture of intellectual discourse in the young minds of its participants. Attendance and participation of this tournament is expected to be significant, with a maximum number of **240** of the best and brightest minds across the island, representing their schools and districts.

Anent to this, the Caraga State University Debate Squad would like to request for the Department of Education's **Official Endorsement** for the said event, to enforce the legitimacy and validity of the said event.

Attached herewith are the **proposed action plan**, **official invitations**, and a true copy of the **official letter of permission** from the University.

We hope for your positive reply regarding this matter.

Respectfully yours,

MAR PHILIP BUENAFLOR
CarSUDS Training Officer
