Dr. Francis Cesar B. Bringas, CESO V
Regional Director
Department of Education Region XIII

Dear Bringas, CESO V:

Greetings!

Pursuant to Presidential Decree Number 442, a decree instituting the Labor Code of the Philippines, Republic Act Number 9231, an Act Providing for the Worst Forms of Child Labor and other related laws and issuances, the Department of Labor and Employment strengthens its implementation of the Child Labor Prevention and Elimination Program to provide special protection to the children from all forms of abuse, neglect, cruelty, exploitation and discrimination, and other conditions prejudicial to their development including child labor and its worst forms and provide interventions for their protection and rehabilitation.

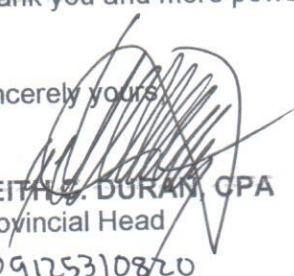

In order to implement the said program effectively and efficiently, profiling and needs analysis were conducted in different barangays in Butuan City and Agusan del Norte. Appropriate interventions needed were then identified to increase the chance of removing them from child labor and their families from poverty. These interventions may include, but not limited to, Education, Training, Livelihood/Entrepreneurship, Immediate Legal, Medical and Psycho-Social Services and Social Protection.

In these regard, we are respectfully indorsing to your Good Office, as our partner Agency, a certain number of referral letters for profiled child laborers and their families for the availment of your programs and services.

Our Field Enumerators will visit your Agency and answer any further queries, if any. We are hoping for your appropriate and immediate response on this matter.

Thank you and more power.

Sincerely yours,

KEITH L. DURAN, CPA
Provincial Head
