 OIC - REGIONAL DIRECTOR
 DEPED CARAGA

Dear Sir/Madame:

ILLEGAL DRUGS is one of the leading causes of criminalities in our country. Drug addiction results to countless crimes, financial problems and broken relationships with families or friends. It is a societal menace affecting people from all walks of life, but its most usual victims are the youth as they are targeted because they comprise the biggest part of the country's population.

This prompted JMJ Events and Production to help increase awareness among the youth about the real consequences of being involved in the illegal drug trade thru a theater play adaptation of one of Bob Ong's popular novel, 'Macarthur'.

Bob Ong is a contemporary Filipino author known for using conversational writing technique to create humorous and reflective depictions of Philippine life.

The play tells about the tragedy of four teenage friends who find 'fleeting' pleasures and 'freedom' in prohibited drugs, only to be beaten by the harsh reality of their actions.

JMJ Events and Production seeks to use arts and theater as avenue and tool to educate the youth about the dangers of using illegal drugs.

The same group of people who mounted the two-time nominee for BroadwayWorld.com Philippines Awards 2016 for Best Music for a Filipino Musical and Best Book and Lyrics for a Filipino Musical, will bravely present this literary piece that will provide a shocking experience for its audiences, but in the end will leave a hopeful vision of seeing a greater change for this nation—the Philippines. The play will showcase a powerhouse cast from different sides of the entertainment world in the Philippines.

It is in this manner that we are seeking endorsement from your good office so we can invite Schools from your jurisdiction so that students will have the opportunity to see this once in a lifetime screening of a stage play that will certainly bring them to have a closer and realistic view on what really transpires when teenagers are hooked on drugs as well as learning the value of life and family.

Such activity will aide to the development of the students in arts, and can also bring forth extra ordinary experience while awakening their awareness to the issues or drugs.

You may contact us at 0917-8294503 should you need further information on the matter.

Thank you.
