Dear Sir,

Greetings from Lyceum of the Philippines – Davao (LPU Davao).

The Lyceum of the Philippines University Education System is currently constructing its FIRST out of Luzon Campus here in Davao City. We are happy to be bringing the LPU education here in the hometown of our Most Outstanding Alumnus, our honorable president, H.E. Rodrigo Roa Duterte. LPU Davao is set to open in June 2019.

We believe in the importance of career guidance in the lives of our students. This play a major role in their decision making especially on what program to take.

It is on this note that we would like to seek endorsement from your good office for the conduct of our school-to-school career orientation this AY 2018-2019. As we do the career guidance talk, we will present factors to consider in choosing a college program at the same time we will also present our school, the programs we offer, academic and financial assistance and student activities that we provide our students.

We hope to always be of help in giving our students choices to prepare them for a great career ahead.

I may be reached through my email address, joseph.deligero@lpu.edu.ph or through my mobile number, 09391899853.

I am looking forward to your positive response and support.

Thank you very much and more power!

JOSEPH DELIGERO
