To the Schools Division Superintendent:

Subject: Seeking Permission to Conduct a Survey and an Interview

Greetings of Hope!

I am Glaiza Delos Angeles Mama, a PhD-ELM student of De La Salle University - Manila would like to conduct a survey in your respected schools division for the phase one of my data gathering in my research study entitled, "*A Mixed Method Study on the Exercise of Personal Power by Schools Division Superintendents in the Philippines.*" The distribution of survey-questionnaire will start from May 17, 2021 to June 11, 2021. Also, interview process will be executed once the survey is collated and analyzed, but only selected participants will be involved. The participation in the survey and interview is voluntary and can be discontinued anytime.

The aim of the study is to acquire first-hand knowledge from schools division superintendents on how personal power is being exercised. Also, this research aims to create a superintendence personal power model, which can be utilized by current and future superintendents in operating a school district specifically in exercising personal power.

I am writing this letter in order to seek your kind permission for conducting the survey and interview (selective) of the schools division superintendents. The above said research undertaking could help us gain comprehensive understanding about the participant's experiences. The said survey-questionnaire and request letter with signature are attached for your perusal and the copy of Chapters 1 to 3 will be provided by request.

Also an approval letter from the Department of Education's office to seek survey and selective interview (after the survey) is attached. Once the research endeavor is finished, I will be providing a copy of my paper to each schools division for reference.

I am looking forward to a quick and positive response at your side. For any queries, feel free to contact me at 09171820731 or my email glaiza_mama@dlsu.edu.ph or glaiza.mama@deped.gov.ph.

Thank you and God Bless.
