Office of the President

October 15, 2021

DR. EVELYN R. FETALVERO, CESO IV

Regional Director

Department of Education

Caraga Administrative Region

Dear Dr. Fetalvero,

Greetings of Peace and Prosperity!

The Agusan del Sur State College of Agriculture and Technology (ASSCAT) is created and mandated under Republic Act 7932 to primarily provide higher professional, technical and special instructions for special purposes and to promote research and extension services, advanced studies and progressive leadership in agriculture, education, forestry, fishery, engineering, arts and sciences, and other fields as may be relevant. One of the goals of ASSCAT is to widen its networks and linkages regionally, nationally and globally.

To fulfill the mandate and goal mentioned above, ASSCAT organizes this 2nd Regional Multidisciplinary Research Conference with the theme "Sustaining Institutions Resilience amidst the New Normal with Systematic Innovations towards an inclusive Educational, Economical, Environmental and Ecological Growth" on December 14-15, 2021 via virtual platform hosted at ASSCAT vicinity.

This regional research conference aims to give opportunity for researchers to disseminate their study findings, build linkages and networks with other researchers around the region and beyond; and come up with a journal publication where researchers can publish their research outputs. The Papers that are of contribution to empirical, methodological or theoretical relevance shall be accepted in the following fields:

Arts and Sciences, Social Science, Engineering and Technology, Agriculture, Information Technology/Systems and Computer Science, Mathematics and Computing, Environmental Science, Education

Registration for this conference is free. Awards and certificates will be given to Best Paper and Best Paper Presentation.

In this connection, we humbly seek your endorsement for this activity to bolster the program dissemination within the region and beyond.

Very respectfully yours,

JOY C. CAPISTRANO
College President
