SUBJECT : **Basic Orientation and Retooling of New Division and Regional Focal Persons of the Indigenous Peoples (IP) Program**

DATE : **February 24, 2020**

1. This refers to the conduct of the subject activity designed for IP Education Focal Persons of implementing divisions and regions assigned to the Program starting January 2018.
2. Program Management is a vital skillset needed for the effective and efficient implementation of any program. Key competencies like finance management and activity management are needed for any program, but each program has its particular concerns that call for specialized capacity building.
3. This Orientation on the IP Education Program shall provide the new Focal Persons an overview of the context of IP communities, the dynamics of Indigenous Education Systems, policies and mechanisms of DepEd at the different governance levels with regard to the implementation of the IP Education Program, and recent directions of the Department and its implications for program implementation.
4. The IPed Program's sustainability is anchored on the partnership of DepEd with IP communities, thus, understanding these specific concerns and developing the proper disposition among IPed Focal Persons so that they are effective advocates of the principle of inclusion are crucial.

5. The participants are requested to observe the following specific instructions relative to this activity:
- Participants and Training Team members are expected to arrive at the venue on the afternoon of March 8, 2020 (Sunday) first meal to be served shall be dinner of the same day; last meal to be served shall be breakfast of March 14, 2020 (Saturday).
