**SUBJECT : Innovative CLMD/CID Practices on Decongesting the
Curriculum**

Date : February 28, 2020

This has reference to the commitment of the Curriculum and Instruction strand to the realization of the goals and objectives of the Sulong EduKalidad through the KITE.

All schools are expected to promote quality learning through teaching of learning standards (content and performance) and learning competencies. The Regional Offices (RO) and Schools Division Offices (SDOs) are expected to guarantee **quality Curriculum and Learning Management and quality Curriculum Implementation**, respectively through the curriculum & instruction policies with mechanisms that include *quality assurance, technical assistance, monitoring & evaluation* and *research* for continuous improvement of the desired learner outcomes.

In preparation for SY 2020-2021, there is a need to take significant courses of actions aligned in relation to Sulong EduKalidad's **KITE with K for K to 12 Curriculum, Instruction, Assessment and Learning Resources** as its core mandate. For the years that the K to 12 Curriculum has been implemented, ROs and SDOs have been implementing innovative practices in decongesting the curriculum.

Believing that innovative practices from the field will have great contribution to the K in KITE, please share RO/SDO M & E documents and reports including research projects undertaken related to the decongestion of the curriculum.

The ROs shall send the *most significant innovation* through courier to the *Office of the Undersecretary for Curriculum and Instruction* and email the same to ouci@deped.gov.ph under the *email subject*: **INNOVATIVE PRACTICES IN DECONGESTING THE CURRICULUM** on or before March 15, 2020.

Compliance with this Memorandum is desired.
