MARIA INES C. ASUNCION

Director

Department of Education - CARAGA

Dear **Dir. ASUNCION**:

Greetings!

The **Graduate School of Public and Development Management (GSPDM)** is the academic arm of the **Development Academy of the Philippines (DAP)** that offers graduate programs and short courses in the fields of public management and public finance and budgeting at the level of the national and local government unit level.

This year, we are proudly opening the **third batch** of one of the GSPDM's most sought-after online courses, the **Certificate Course on Public Finance and Budgeting (CC PFB)**. The CC-PFB is a three-unit certificate course intended to provide students with an overview of the fundamental principles and logic of government fiscal activities and government budgets. This course encompasses the fiscal activities of the government sector, which includes the national, local, and corporate government, and relevant and applicable arrangements of the government with the private sector and civil society.

We warmly invite your employees on a transformative journey with us to further expand and refine their knowledge and skills in the field of public finance and budgeting. The online class will start on March 19, 2024!

Attached is the course brochure for your information. For slot reservations, please register at this link <https://bit.ly/DAPCC-PFB3>. For further inquiries, your staff may contact Ms. Gemalyn Sabayo, Learning Associate, through <cc-pfb@dap.edu.ph>.

We are looking forward to having your members on this course. Thank you and more power!

Very truly yours,

DR. LIZAN E. PERANTE-CALINA

Dean, GSPDM

DAP Graduate School
of Public and Development Management

Certificate Course on Public Finance and Budgeting *Batch 3*

CC-PFB provides students with a theoretical foundation in public finance, local and national government budgeting, and the budget process, with emphasis on the role of the various stakeholders, and the significance and importance of the national and local budgets in governance and development.

Course Objectives

The course provides an overview of the fundamental principles and logic of government fiscal activities and government budgets.

Specifically, the course aims to:

- Discuss the fundamental theories, principles, and policies of public finance and budgeting;
- Be familiar with the central role and significance of the government budgets in attaining the objectives of government for the whole of society and economy;
- Examine current issues in public finance and budgeting;
- Learn and adopt the PFM reforms and new best practices in government budgeting, procurement, and managing the government's fiscal program;
- Identify innovation challenges to assist PFM stakeholders; and
- Contribute to the development of future systems, policies, and processes to enable effective public finance by adopting a futures thinking approach.

Coverage

Module 1: Government's Role in the Market System

Module 2: Revenue and Borrowing Performance: Taxation and Resource Generation

Module 3: Allocating Government's Resources: National and Local Budget Process / Cycle and Budget Dimension; Planning and Procurement Linkage; Budget Utilization and Procurement and Budget Implications of Emerging Issues (such as the Mandanas Ruling on the National Tax Allotment)
