The CLMD shall ensure that the process adheres to established Quality Assurance protocols and Learning Resource (LR) Standards, and that results are systematically documented for refinement of the materials.

6. The Division Araling Panlipunan Supervisors shall submit an endorsement letter to the Regional Araling Panlipunan Supervisor as the official basis for the conduct of the regional monitoring activity. This endorsement shall include the list of selected schools and the rationale for their inclusion. The endorsement letters shall be submitted on or before **March 6, 2026**.

7. The outputs of the field testing, including consolidated feedback reports and documentation of adjustments, shall be submitted to the Regional Office on or before **March 28, 2026**. The following documents shall serve as required outputs of the field validation:

- a. Endorsement Letter
- b. School Participation Confirmation (signed acknowledgment from participating schools).
