No changes in the schedule shall be made without the approval of the Commission. The Professional Regulatory Boards (PRBs) are further advised that their duties and responsibilities pertaining to the conduct of the licensure examinations shall take precedence over all their other functions. As such, they are strictly enjoined to observe the schedule of activities, as shown in the above matrix.

Requests for additional testing centers for the various licensure examinations must conform to the procedures set forth by Commission Resolution No. 1493 (s. 2022) or the Revised Guidelines and Procedures on the Designation of Additional Testing Centers for the Conduct of Local Licensure Examinations.

Subject to the justifiable cases stated in Commission Resolution No. 2092 (s. 2025), no applications shall be accepted after the deadline for filing applications. Further, all applications must be filed through the Licensure Examinations and Registration Information System (LERIS). Request for extension of the deadline in filing of application, if any, must be submitted to the Licensure Office at least fifteen (15) days before the scheduled deadline, otherwise, the deadline herein provided is final and shall be strictly implemented.
