Webinar on Integrated Language Learning in Early Childhood: Focus on Literacy and Numeracy for Teachers and School Heads

A Joint Program of the Department of Education, Bureau of Learning Delivery - Teaching and Learning Division (BLD-TLD) and The US Embassy Regional English Language Office (RELO)

Overview

Following approximately two years of stay-at-home orders due to the Covid-19 pandemic, many K-3 learners will be entering a classroom for the very first time in this limited face to face scheme. To address these young learners' gaps in literacy and numeracy skills, the Philippine Department of Education, Bureau of Learning Delivery, Teaching and Learning Division in partnership with the United States Embassy – Regional English Language Office (RELO) – Philippines is offering professional development opportunities for teachers and school leaders.

This course is designed to provide teachers and school heads with an overview of Content Integrated Language Learning, Early Literacy, and Bilingual Education and specific strategies and tasks which can be implemented in the classroom and community to improve K-3 students' literacy skills. This will be a six (6) week series in three (3) different clusters (Luzon, Visayas, and Mindanao) with a maximum of two (2) hours per session in a lecture – demo approach to include the question and answer (Q & A) and completion of task/activity/ies. A total of 1,000 participants composed of 1 select K to 3 teachers per school and its school head per cluster or a total of 3,000 participants all over the country are expected to attend this webinar series to be aired at DepEd Facebook page and US embassy pages.

Terminal Objectives

By the end of this program, the participants should be able to:

1. Understand the underlying pedagogy of Content Integrated Language Learning, Early Literacy, and Bilingual Education and apply those principles to the development and implementation of effective K-3 literacy lessons.
2. Apply innovative strategies and techniques to developmentally appropriate literacy lessons which will motivate K-3 students and develop their skills.
3. Contribute and support the school community and all stakeholders involved in the education of young learners.
4. Implement and support the professional development of teachers and school leaders resulting in the ability to strengthen and/or support the early literacy and numeracy skills curriculum.

This professional development is aligned with the Philippines Professional Standards for Teachers and School Heads and incorporates many of the PPST and PPSSH domains and strands.
