Dear Dr. Asuncion:

The Mathematics Trainers' Guild (MTG), Philippines is one with the Department of Education in promoting excellence in mathematics education to the Filipino youths in the public elementary and high school levels. Our projects and programs have been aligned to the **MATATAG** goals of the department since we also dream that every Filipino student will be proficient in mathematics.

In view thereof, the Mathematics Trainers' Guild (MTG), Philippines will be giving Two Thousand (2 000) **FREE** slots to deserving public school students in your region currently enrolled to participate in the **ONLINE 2024 International Kangaroo Math Competition – (IKMC)** Philippines. This competition is recognized as one of the largest international correspondence mathematics competitions, attracting over 6 million participants from 98 countries. In the Philippines alone, we take pride in having more than 16,000 Filipino participants.

The IKMC is an ONLINE CONTEST scheduled to be OPEN for 5 days from March 23-27, 2024, depending on the specific grade level assigned for the contest. The final schedule for the grade level contest will be communicated to schools and individual participants two (2) days before the contest. The contest window is from 9:00 A.M. to 9:00 P.M.

We will leave to the discretion of your good office for the distribution of the **2 000 FREE** slots for the students currently enrolled from grades 1 to 12 for School Year 2023-2024 in each division of your region.

The **Top Scorers** in each level will be honored with prestigious medals and certificates.

The IKMC – Philippines aims to:

- Encourage students to master their mathematical knowledge and skills.
- Give them confidence in their ability to understand mathematics.
- Help them recognize how to apply mathematics in their daily life activities.
- Develop their ability to derive pleasure and satisfaction through intellectual life.
- Show that mathematical education is significant in every part of the world.
