**SUBJECT : IMPLEMENTING GUIDELINES ON THE UTILIZATION OF THE
SPECIAL CURRICULAR PROGRAMS (SCP)- PROGRAM SUPPORT
FUNDS (PSF) FOR SCHOOL YEAR (S.Y.) 2024-2025**

DATE : August 22, 2024

1. Pursuant to DepEd Order (DO) No. 21, s. 2019 titled Policy Guidelines on the K to 12 Basic Education Program, which stipulates that through the Special Curricular Programs (SCPs), it is envisioned that DepEd will produce globally-competitive learners imbued with desirable values and equipped with 21st century skills that can contribute to nation-building and national transformation while preserving Filipino culture, heritage and identity, the Department of Education through the Bureau of Curriculum Development (BCD) announces the **Special Curricular Program-Program Support Fund (SCP-PSF) for SY 2024-2025**.

2. In line with the goal of the Department that all Filipinos can realize their full potential and contribute meaningfully to a cohesive nation through the protection and promotion of the right to quality education and to contribute to the Basic Education Development Plan (BEDP) in order to improve the delivery and quality of basic education, the Bureau of Curriculum Development (BCD), has been implementing the six Special Curricular Programs such as Special Program in the Arts (SPA), Special Program in Foreign Language (SPFL), Special Program in Journalism (SPJ), Special Program in Sports (SPS), Special Program in Science, Technology, Engineering and Mathematics (SPSTEM); and Special Program in Technical-Vocational Education (SPTVE) in select schools across 16 regions.

3. Recognizing education as a fundamental right of every citizen as stipulated in the 1987 Constitution of the Republic of the Philippines, the Department of Education (DepEd) has implemented educational reforms, programs, and projects to address the key issues of access and quality of basic education, as well as the relevance and efficiency of the education system.

4. The K to 12 Basic Education Program, being one of the major reforms, aims to equip Filipino learners with the necessary skills and competence to prepare them to take on the challenges of the 21st century. Additionally, in support of the primary goal of the K to 12 Basic Education Program and in alignment with the inclusiveness of education stipulated in Section 8 of the IRR of RA 10533 where "Inclusiveness of Enhanced Basic Education means the implementation of programs designed to address the physical, intellectual, psychosocial, and cultural needs of learners...", DepEd offers Special Curricular Programs (SCPs) for learners to nurture their special skills, talents, and intelligences:

- Special Program in the Arts (SPA);
- Special Program in Foreign Language (SPFL);
- Special Program in Journalism (SPJ);
- Special Program in Sports (SPS);
- Special Program in STEM (SPSTEM); and
- Special Program in Technical-Vocational Education (SPTVE).

5. With the aim of providing Filipino learners with a foundation for career pathways that are aligned with their strengths, interests, and aptitudes (DepEd Order No. 21, s. 2019), the SCPs are implemented in select schools with the aid of support funds. Particularly in FY 2014, the Department released DepEd Order No. 15, s. 2014 (Guidelines on the Utilization of Financial Assistance to Schools Implementing Special Curricular Programs) which aims to standardize the implementation process in line with the new national government policy to directly release funds to the SCP recipient schools.

6. However, in FY 2016, DepEd Order No. 13, s. 2016 (Implementing Guidelines on the Direct Release and Use of Maintenance and Other Operating Expenses (MOOE) Allocations of Schools, Including Other Funds Managed by Schools) superseded DepEd Order No. 15, s. 2014. Under this new policy, financial assistance for SCPs has been incorporated into the school's regular MOOE budget. Financial assistance from the SCP is permitted under the School MOOE. However, the competing priorities for the use of these funds often present challenges for SCP implementation.

7. The Program Support Fund (PSF) aims to enhance the operation of each of the special curricular programs and augment MOOE of all recognized SCP elementary and secondary schools. Specifically, it intends to enhance access to and improve the quality of SCP programs and services, as well as to raise the efficiency of their operations by creating mechanisms of support and structure both in the instructional and logistical aspects.

8. As support to the programs, DepEd provides program support funds to 16 Regions, 214 Divisions and SCP implementing schools.

9. This DepEd memorandum covers the implementing guidelines for the allocation and utilization of the Program Support Fund for the Special Curricular Programs (PSF-SCPs) for SY 2024-2025 for all regions, except the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM), with recognized public elementary and secondary schools implementing the different Special Curricular Programs such as Special Program in the Arts (SPA), Special Program in Foreign Language (SPFL), Special Program in Journalism (SPJ), Special Program in Sports (SPS), Special Program in Science, Technology, Engineering, and Mathematics (SPSTEM), and Special Program in Technical-Vocational Education (SPTVE).

10. Furthermore, Regional Science High Schools (RSHS), which receive a larger MOOE allocation in the General Appropriations Act (GAA), are excluded from the provision of PSF since they have alternative sources of funding.

11. The list of SCP-PSF recipient schools, Schools Division Offices (SDOs) and Regional Offices (ROs) for SY 2024-2025 are attached as Annexes 1-2 of this memorandum.

A. Allocation of Program Support Fund

12. SCP implementing schools, divisions and regions shall be given program support funds consisting of the following components:
