Letter of Invitation

Dear Dr. Asuncion,

It is both a privilege and a sincere pleasure to formally invite you to be one of our distinguished guest speakers at our upcoming 10th IYF Education Forum (IEF), which will be held from July 21st~28th, 2024 in Busan, South Korea.

International Youth Fellowship (IYF) has been organizing annual 'Ministers of Youth World Forum' and 'IYF Education Forum' for formal discussions on youth issues and development. Through these forums, education leaders worldwide have actively sought solutions to youth-related challenges through collaborative exchanges.

And 'Mind Education' which has gained significant attention through the forums as a fundamental solution to youth problems, has resulted in practical implementation in education, fostering positive changes for youths and garnering substantial global attention and support from various governments.

Starting from this year, 'IYF Education Forum' will be divided into two parts: **the 'World University Leaders Forum'** and the **'World Youth Educators Forum'**. This division allows for a deeper exploration of education topics, fostering targeted discussions for university leaders and youth educators.

Additionally, as a prelude to the forum, the **'Mind Education Leadership Course'** a training program on 'Mind Education' designed for educators, is scheduled to be conducted.

Your expertise and insights are highly valued and will undoubtedly enrich our discussions, significantly contributing to the success of the forum.

We eagerly anticipate your active participation in this meaningful event, offering a platform to explore innovative solutions to global educational challenges.

Thank you for considering this invitation. We look forward to welcoming you to Busan, South Korea, for the 10th IYF Education Forum.

Yours sincerely,

Dr. Ock Soo Park
