Sir:

Greetings of peace.

The undersigned is the Education Program Supervisor in Kindergarten, who is handling the programs of MTB-MLE, ELLN, and LAC. I am writing to your good office to formally request my replacement for the National Training of Trainers on Advancing Basic Education in the Philippines (ABC+) Project Professional Development (PD) Program Upscaling—Mindanao Cluster, which will be held in General Santos City and rescheduled from April 21–25, 2023, to April 17–21, 2023. This is already the third time that this training has been rescheduled.

As I will also be attending the regional training-workshop on the development, quality assurance, and pilot testing of the regional achievement test, which is scheduled on April 11–15, the change of the training date decided me not to continue participating in the NTOT due to some health reasons. It is no longer beneficial to my health to attend two (2) different, rigid and continues training without a little bit of rest. I am on hypertensive maintenance, and I'm making an effort to control my own level of stress.

In this regard, I am recommending Dr. Alvin Buniel, Principal II of Quezon Elementary School, Mainit 1 district as my replacement. He had been into different national training programs for trainers. Hence, he is one of the committed and dependable trainers of ELLN and DAP-ELLN of our division.

I am earnestly hoping that this request be given a positive response.

Please allow me to convey also my warmest welcome to you, Sir, in Surigao del Norte Division.

Thank you and Godspeed.

Very truly yours,
