REGIONAL MEMORANDUM
No. 0345, s. 2024

To: SCHOOLS DIVISION SUPERINTENDENTS
CHIEFS OF THE REGIONAL FUNCTIONAL DIVISIONS
This Region

13TH INTERNATIONAL CONFERENCE ON ADVANCED MULTIDISCIPLINARY
STATISTICAL APPLICATIONS

1. The Philippine Association of Researchers and Statistical Software Users, Inc.(PARSSU), Mindanao Chapter, is organizing the 13th International Conference on Advanced Multidisciplinary Statistical Applications, scheduled to be held on May 3 - 4, 2024, at the Philippine Science High School – Caraga Region Campus with a theme, "*Navigating Beyond Numbers: Unleashing Innovations through Statistical Modeling and Software Applications*"
2. Students, teachers, and researchers are invited to submit abstracts for paper and poster presentations. Attendance and participation to this activity is voluntary.
3. For any inquiries regarding the event, please refer to the attached invitation letter from the Conference Chair or please email parssu2024@gmail.com.
4. Immediate and wide dissemination of this Memorandum to all concerned is highly desired.

MARIA INES C. ASUNCION

Dr. MARIA INES C. ASUNCION

OIC-Director IV

Department of Education – Region XIII

Km. 3, Libertad St. Butuan City

Dear Dir Asuncion,

I hope this letter finds you in good health and high spirits. As an advocate for quality education and professional development in the region, I am writing to request your esteemed support and endorsement for an upcoming academic event of significant importance.

The **Philippine Association of Researchers and Statistical Software Users, Inc. (PARSSU), Mindanao Chapter**, is organizing the 13th International Conference on Advanced Multidisciplinary Statistical Applications, scheduled to be held on **May 3 - 4, 2024, at the Philippine Science High School – Caraga Region Campus**. This annual conference serves as a premier platform for researchers, academicians, practitioners, and industry professionals to convene, exchange insights, and showcase best practices in statistical modeling and software applications.

This year's conference theme, **"Navigating Beyond Numbers: Unleashing Innovations through Statistical Modeling and Software Applications,"** underscores the importance of leveraging statistical methodologies and cutting-edge software tools to address contemporary challenges across various disciplines. With a focus on innovation and collaboration, the conference aims to inspire participants to explore new frontiers in statistical research and application.

Given educators' pivotal role in nurturing a culture of research and innovation within the academic community, we believe that teachers from DEPED schools' active participation will greatly enrich the discourse at the conference. By engaging with leading experts and practitioners in the field of statistics, teachers will have the opportunity to gain valuable insights, enhance their professional competencies, and ultimately contribute to the advancement of education in our region.

In light of the above, we kindly request the endorsement or issuance of a memorandum from DepEd – Region XIII encouraging teachers to participate in the **13th International Conference on Advanced Multidisciplinary Statistical Applications**. Your support in disseminating information about this event to DEPED schools and facilitating the attendance of interested teachers would be immensely appreciated.

**PHILIPPINE ASSOCIATION OF RESEARCHERS
AND STATISTICAL SOFTWARE USERS, INC.**

Mindanao Chapter

We assure you that every effort will be made to ensure the conference aligns with DEPED's objectives and standards and that participating teachers will benefit from the experience in ways that contribute positively to their professional growth and the advancement of education in Mindanao.

We invite students, teachers, and researchers to submit **abstracts for paper and poster presentations**. For more information about the submission process, visit <http://tinyurl.com/PARSSU2024>.

If you have any inquiries regarding the event, please email us at parssu2024@gmail.com. We are happy to provide you with any further information or assistance.

We look forward to your positive response and hope to welcome you and your community to the conference.

Warm regards,

A handwritten signature in black ink, appearing to read 'Gilbert Alerta', is written over a horizontal line.

Gilbert Alerta, MSc
