Dear Ms. Asuncion,

Greetings of Diplomacy!

We are **Model United Nations - University of the Philippines Diliman (MUN-UPD)**, a duly recognized special interest, university-wide student organization in the University of the Philippines Diliman, which serves as the university's official delegation in Model United Nations (MUN) conferences locally and internationally. Grounded on the principles of "travel, debate, experience, and learning", the organization believes in diplomacy, cooperation, civic engagement and social responsibility, and developing the Filipino youth's skills in the aforementioned areas to create a just and harmonious world.

Thus, we are organizing **Philippine International Model United Nations (PHIMUN) 2025**, the Philippines' premier MUN conference designed to simulate the processes within the United Nations and to immerse delegates from **High School (grades 10-12) to University levels (undergraduate to postgraduate)** from the Philippines and abroad, to the intricacies of diplomacy.

PHIMUN
PHILIPPINE INTERNATIONAL
MODEL UNITED NATIONS

In alignment with this year's PHIMUN theme, "Creating Progressive and Diplomatic Synergies Amid Dire Global Crises", participants will experience three (3) days of committee sessions, debating and creating resolutions for issues that concern human security—from protecting digital rights amid increasing surveillance to mitigating vulnerabilities in human trafficking of immigrants. Participants will be able to do so within their respective committees. Among those that they can choose to join are the UN General Assembly (UNGA), UN Economic and Social Council - Commission on the Status of Women (CSW), UN Office on Drugs and Crime (UNODC), UN Security Council (UNSC), International Court of Justice (ICJ), and the UN Special Committee on Decolonization (C-24).

PHIMUN 2025 will be held from June 20-22, 2025, in a full face-to-face mode at the University of the Philippines Diliman campus, with the option to register as individual delegates or delegation teams.

Provided these, we humbly request your good office to assist us in disseminating this event through the issuance of a DepEd advisory. MUN-UPD shares a similar commitment to empowering the youth and promoting their active participation in nation-building, as this event aims to hone leadership, public speaking, debate, negotiation, and policy-making skills through exposure to national and international issues. PHIMUN 2025 allows the youth to discuss and propose solutions for pressing world issues with viewpoints coming from the future of the nation themselves, thus the event offers an avenue for the youth to recognize their essential role in the international arena from an early age and eventually, cultivate them to become active, global citizens of the world.

Attached is more information about our organization, Model United Nations - University of the Philippines Diliman, and our event, Philippine International Model United Nations (PHIMUN) 2025. If you have any questions or need further clarification, please feel free to contact us at exec.phimun@gmail.com or contact Jerome Justin Salazar at 0906 292 2198.

Your endorsement would greatly help in reaching a wider audience of young learners who can benefit from this enriching experience, and we look forward to the possibility of working with you. Thank you very much!
