DATE : May 24, 2022

The quality of available teaching and learning resources contributes in ensuring the quality of teaching and learning process. This Office and the Bureau of Alternative Education (BAE) recognize the efforts of the field Alternative Learning System (ALS) implementers in the Regional and Schools Division Offices, as well as, the Community Learning Centers (CLCs) in developing ALS modules which are quality assured by the Regional or Division Offices, to increase the available primary source of content of delivery of ALS programs.

For SDOs, the accomplished form, duly signed by the Schools Division Superintendent (SDS) shall be submitted by the Division ALS Focal Person to the RO, through the Regional ALS Focal Person.

The Regional ALS Focal Person shall consolidate all the submissions of the SDOs and include in the list all ALS modules developed by the RO.
