REGIONAL MEMORANDUM
No. 0535, s. 2022

To: SCHOOLS DIVISION SUPERINTENDENTS
This Region

ONLINE SCHOOL DRRM PROGRAM IMPLEMENTATION MONITORING
AND BASELINE DATA UPDATING

1. In order to establish an updated baseline data and monitor the program implementation of the Disaster Risk Reduction and Management (DRRM) Program at the school-level, this office enjoins all Schools Division Offices, thru its Division DRRM Coordinators, to disseminate the Online School DRRM Monitoring Tool thru the link: <http://bitly.ws/sm2b>.
2. The results of the online monitoring tool shall be used as:
 - Baseline data of DRRM projects and activities implemented at the school level,
 - List of schools with specific needs and requirements as to early warning systems, devices, and equipments which shall be endorsed to partner stakeholders for support generation and mobilization,
 - One of the bases for recommendation of policies and/or guidelines to the Central Office,
 - Identifying mechanism to select schools as recipients of external support or outreach programs; and,
 - Determinant of schools that shall be selected for future research studies as may be requested by partner academes and/or NGOs.
3. While the monitoring tool uses an online platform, honesty and truthfulness in accomplishing it is of utmost importance. As much as possible, data gathered from this source must be accurate and/or authentic as this shall also stand as one of the bases for future actual field monitoring and learning visits.
4. SDO DRRM Coordinators shall be given access to the data for verification purposes. All schools are expected to have accomplished the tool by **July 8, 2022**. It is highly advisable to use desktops or laptops with stable internet connection as the tool covers four (4) areas of concerns with multiple options and requires short/long paragraphs.
5. Should there be any concerns, contact Megnon P. Beldad, Regional DRRM Coordinator, at mobile phone no. (0910) 472-3654 or via e-mail address: megnon.beldad@deped.gov.ph.
