PARTICIPATION IN THE GBF STEM COLLAB WEBINAR SERIES ON EFFECTIVE
MATH AND SCIENCE LEARNING RESOURCES

1. The Gokongwei Brothers Foundation (GBF) is conducting the GBF STEM Collab Webinar Series on Effective Math and Science Learning Resources scheduled on May 31 and June 7, 2025, at 8:00 a.m. and 1:00 p.m. via Microsoft Teams. This initiative supports the continuous professional development of our educators in line with the Enhanced Basic Education Act of 2013 (Republic Act No. 10533) and the Philippine Professional Standards for Teachers (PPST). The webinar series is part of GBF STEM Collab, a dynamic community of STEM educators enhancing their knowledge and skills through learning sessions, community engagement, and peer learning.
2. This webinar series aims to equip Math and Science educators with instructional and visual design principles needed to create effective learning materials, enhance teachers' capacity in developing contextualized and technology-integrated learning resources, provide free, bite-sized, and PPST-aligned professional development opportunities, foster community engagement and peer learning among STEM educators, and support the implementation of DepEd Order No. 42, s. 2016 (Policy Guidelines on Daily Lesson Preparation for the K to 12 Basic Education Program) through improved learning resource development.
3. Attached herewith is the official communication from the Gokongwei Brothers Foundation dated May 20, 2025, containing the detailed program outline, resource persons' profiles, registration procedures, and the official poster of the learning series. The webinar features esteemed resource persons from the Institute for the Science and Art of Learning & Teaching (Ateneo SALT Institute), GBSEALD, Ateneo de Manila University; Habi Education Lab; Gokongwei Brothers Foundation; Eskwelabs; and Canva Philippines, ensuring high-quality and relevant content delivery.
4. The following are encouraged to participate in this professional development opportunity: Public and Private Elementary and Secondary School Heads, STEM Teachers (Science, Technology, Engineering, and Mathematics), STEM Club Advisers, Education Program Supervisors, Master Teachers in STEM fields, and other teaching personnel involved in Math and Science instruction. The webinar is **PRC-accredited** and allows participants with valid output to gain up to **5 CPD units for**

**RE: GBF STEM Collab Webinar on Effective Math and Science Learning Resources
on May 31 and June 7, 2025**

Dear Director Asuncion:

Greetings from Gokongwei Brothers Foundation (GBF)!

We are grateful for the partnership between GBF and your office in uplifting education in our country through various programs. Aside from the GBF Class Builder, we are happy to share about GBF STEM Collab, a dynamic community of STEM educators enhancing their knowledge and skills through learning sessions, community engagement, and peer learning. It offers a capacity-building program that provides free, bite-sized, and PPST-aligned webinars.

Building on our shared commitment to support educators, we are excited to share about the **GBF STEM Collab Webinar Series on Effective Math & Science Learning Resources (LRs)**. These free learning sessions are designed to equip Math and Science Educators with instructional and visual design principles needed to create Math and Science materials with ease. The webinars will be at **8:00 AM** and **1:00 PM** on **May 31 and June 7, 2025**, via **Microsoft Teams**. This is **PRC-accredited** and will allow participants with valid output to gain up to **5 CPD units for free**.

In line with this, we would like to request your good office for the following:

1. to disseminate information and encourage School Heads, STEM Teachers, and STEM Club Advisers from Public and Private Elementary and Secondary Schools to join the [GBF STEM Collab FB Community](#) and attend the learning sessions,
2. to endorse the GBF STEM Collab Webinar Series to DepEd offices within your network, and
3. to promote GBF STEM Collab to your constituents through your official information channels.

Here is the official poster of the learning series.
