REGIONAL MEMORANDUM

No. 0564, s. 2025

To: Schools Division Superintendents
Division Math Supervisors/Khan Academy Focal Persons
Division and School ICT Coordinators
School Heads
All Others Concerned

**REVISED SCHEDULE FOR ONSITE VERIFICATION OF NEW KHAN ACADEMY
SCHOOL IMPLEMENTERS FOR SY 2025-2026**

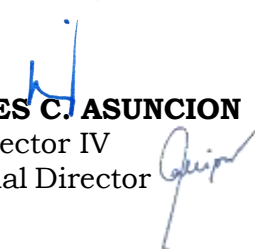

1. This Regional Office hereby announces the revised schedule for the Khan Academy School Verification Activities in the CARAGA Region. As stated in Memorandum DM-CT-2025-143, the original schedule of **June 16 to 20, 2025**, has been rescheduled to **June 9 to 13, 2025** to accommodate the official opening of classes and ensure optimal participation from all stakeholders.
2. The objectives of this activity are to validate if participating schools have met the technological requirements for Khan Academy implementation and prepare participating schools for the upcoming Khan Academy program implementation for School Year 2025-2026.
3. Attached herewith is the complete list of shortlisted schools that have successfully passed the pre-verification process and the detailed verification itinerary for the revised schedule, as endorsed by Khan Academy Philippines. Please see Enclosure 1.
4. The onsite verification will consist of brief 20–30-minute visits to each shortlisted school by a Khan Academy Philippines representative to assess technological readiness, gather implementation details, and build rapport with key personnel. Schools are NOT expected to prepare any special programs, food, or arrangements for this visit. The verification team will check for strong internet connectivity (at least 100 Mbps), one device per student in the designated computer lab or implementation area, and the active involvement of school leaders and teachers. They will also gather information on the target grade levels, number of sections, and teachers requiring training.
5. To ensure efficiency and coordination, SDO personnel—specifically the Math EPS or Khan Academy Focal Person, PSDS, and/or Division IT Officer—are requested to accompany the verification team during the school visits. SDOs and/or schools are also requested to provide transportation assistance or make necessary arrangements to support the Khan Academy representative during the verification process.

6. The verification activities will be conducted through two modalities as outlined in the attached itinerary in Enclosure 2. **ONSITE verification** will be implemented for selected SDOs where the Khan Academy Philippines representative will physically visit each school alongside SDO personnel from June 9-11, 2025. **HYBRID verification** will be adopted for other participating SDOs, where the Division Khan Academy Focal Person and IT Officer will conduct the school visits while Khan Academy Philippines provides virtual support and coordination. This approach ensures efficient resource utilization while maintaining verification quality standards across all participating schools in the region.

7. The expected school personnel to be present during the onsite or hybrid verification from each of the shortlisted schools include the School Head (Principal or Assistant Principal or Grade Level Head), ICT Coordinator, Khan Academy Coordinator, and the designated Mathematics, Science, and ALS Department Heads or subject focal persons from the shortlisted schools across the 11 Schools Division Offices in the CARAGA Region, as listed in Enclosure 1.

8. For any concerns, clarifications, or coordination matters related to this activity, please contact Ms. Rhea J. Yparraguirre, Education Program Supervisor, Regional Education Program Supervisor (EPS) in Mathematics, Curriculum and Learning Management Division at **rhea.yparraguirre@deped.gov.ph**.

9. Immediate dissemination of this Regional Memorandum is directed.
