To strengthen the resilience of basic education, the Disaster Risk Reduction and Management Service (DRRMS) is mandated to empower the DepEd personnel on Disaster Risk Reduction and Management (DRRM) through capacity building activities.

With this, the Office of the Undersecretary for Operations (OPS) through the DRRMS will conduct a **Basic Life Support (BLS) and Search and Rescue (SAR) training in the Schools Division Office (SDO) Iligan City for select DRRMS personnel and Regional and Division DRRM Coordinators from July to September of 2023.**

The BLS and SAR Trainings are pursuant to Republic Act No. 10871 titled *Basic Life Support Training in Schools Act* and the Department Order No. 54, s. 2021 titled *Implementing Rules and Regulations of Republic Act No. 10871*, in which the Department of Education (DepEd) promotes and encourages a proactive engagement by all DepEd offices in capacitating learners and DepEd personnel with life-saving knowledge and skills.

The trainings are funded under the **Organizational and Professional Development for Non-Teaching Personnel (OPDNTP)**, a fund source that supports different interventions envisioned to build and strengthen the capacity and capabilities of the agency, its offices, and its people to proactively respond to current and future demands of the Department. Attached is the memorandum OM-HROD-2022-1223 for reference. The activity was proposed and organized by the DRRMS, but the DRRMS_MSB/05232023
