Dear **Hon. Sara Z. Duterte**:

Warm greetings from the Mathematical Society of the Philippines - Caraga Chapter!

We are pleased to inform you that the Mathematical Society of the Philippines (MSP) – Caraga Chapter in partnership with the Philippine Science High School-Caraga Region Campus is set to host the **2024 MSP-Caraga Annual Convention, Academic Sessions and Workshops** on September 28 and 29, 2024 at the Grand Palace Hotel, Butuan City. This convention will mark the 27th foundation anniversary of the chapter.

The prospective participants include **mathematics educators and enthusiasts**, as well as **undergraduate** and graduate mathematics majors from the Caraga Region and other nearby regions in the Visayas and Mindanao areas. The convention aims to achieve the following objectives:

- (1) Promote interest and knowledge in mathematics and its applications.
- (2) Facilitate the sharing of research results in both mathematics and mathematics education.
- (3) Foster the development of research and teaching capabilities among participants.

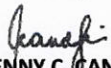

We extend our invitation to mathematics researchers and educators specializing in pure and applied mathematics, statistics, and mathematics education to contribute short papers showcasing original research findings during the convention. Interested individuals may register through this online Registration Form: <https://bit.ly/2024MSPCaragaConvention>.

In line with this, we respectfully request the support of the Department of Education. We kindly request your assistance in **endorsing and disseminating information about the convention** to your network of teachers, students, and researchers across the Caraga Region.

For your reference, we have attached the following documents: First Announcement and Call for Papers, General Information about the organization, MSP SEC registration, and Program, Project, Activity (PPA) Profile.

We deeply appreciate your consideration of our request and look forward to the possibility of collaborating with you in promoting excellence in mathematics and mathematics education.

Yours truly,

JENNY C. CANO, PhD
