Roles and Functions of the Regional Field Technical Assistance Teams

The RFTATs shall:

- a. Guide and help SDOs plan, strategize, implement plans, and evaluate performance and accomplishments by providing support, coaching, and mentoring.
- b. Collaborate with the DFTATs to harmonize the provision of TAs to all schools and LCs and assist in the delivery of quality basic education services.
- c. Share information regarding directions, mechanisms from higher management to top management to resolve issues on improved school management and administrative process.
- d. Prepare recommendations for the formulation of policies for school organizational effectiveness for RO approval.
- e. Collaborate with the functional divisions on the appraisal of SDOs regarding their performance status to ensure that schools and their communities are equipped and empowered to decide what is best for their learners.
- f. Provide support and guidance to the school leaders for continuous improvement in instructional leadership and School-Based Management (SBM).

Terms of Reference of the Regional Field Technical Assistance Teams

RFTAT assigned in a particular SDO shall stay for at least two years to monitor/track the status even after the provision of TA. However, if the assigned team cannot provide what is needed by the SDO, they can invite an experts from the other teams to address the needs and priorities.
