Sir:

Greetings of Peace and Good Health.

The Mathematical Society of the Philippines - Caraga Chapter (MSP-Caraga) will hold the **2023 MSP Caraga Annual Convention, Academic Sessions and Workshop** on the following topics:

- 1. Mathematical Literacy and Fluency: Strategies and Practices for a Dynamically Changing Environment**
- 2. Recognizing Socio-Emotional Skills and Mathematics Performance as an Integral Part in Learning and Recovery**
- 3. Mathematical Modelling of Diseases and Some Software Applications**

The Convention will be held on September 23-24, 2023 at Father Saturnino Urios University, Butuan City.

The objectives of the MSP-Caraga Annual Convention, Academic Sessions and Workshop are:

- (1) to promote interest and knowledge in mathematics and its applications,
- (2) to share research results in both mathematics and mathematics education, and
- (3) to enhance research and teaching capabilities.

The prospective participants are mathematics educators in the high school and collegiate levels, as well as undergraduate and graduate mathematics majors, in the Caraga Region and other nearby regions.

Activities in this convention include plenary talks, parallel academic sessions, and a workshop on software applications on mathematical modelling. Mathematics researchers and educators in the areas of pure and applied mathematics, statistics and mathematics education are invited to contribute short papers or posters on original research results during the parallel academic sessions of the convention.

A registration fee of Three Thousand and One Hundred Pesos (PhP 3,100.00) will be charged per participant
