CAPACITY BUILDING OF JHS NON-PHYSICS MAJOR TEACHERS TEACHING
PHYSICS (PROFESSIONAL TEACHERS' DEVELOPMENT COURSE
IN PHYSICS OR PROTEACH)

1. In response to the findings of the Second Congressional Commission on Education (EDCOM II) that 98% of teachers teaching Physical Sciences lack formal training in the field and 51% of science teachers are teaching subjects outside their specialization, the Department of Education (DepEd)-Caraga will conduct a **Capacity Building of Junior High School (JHS) Non-Physics Major Teachers Teaching Physics (Professional Teachers' Development Course in Physics or PROTEACH) on August 24-31, 2025** (originally scheduled on May 19-26, 2025), at **Amontay Beach Resort, Nasipit, Agusan del Norte**.
2. The training is an eight-day intensive onsite training program designed to enhance the Physics content knowledge and pedagogical skills of non-Physics major science teachers. The program combines theoretical foundations with hands-on laboratory activities, emphasizing practical applications and teaching strategies specific to the Kto12 Curriculum.
3. The training is accredited by the National Educators Academy of the Philippines (NEAP) (PD2025-0004-0618), and by the Professional Regulation Commission (PRC) (PTR-2020-374-9337). All participants shall be granted with 15 Continuing Professional Development (CPD) units.
4. The names of the resource speakers, members of the program management team, and participants from all Schools Division Offices (SDOs) and Program Management Team are listed in Enclosure 1. The training matrix is found in Enclosure 2.
5. Participants are directed to bring their laptops, extension wires, and portable internet source throughout the training. Participants who have underlying chronic diseases or other medical conditions are encouraged to seek medical advice before attending the training, and/or bring their health maintenance drugs.
6. PROTEACH is part of the extension program of Caraga State University, through the Department of Physics (DoP). In line with this, all participants are required to answer the online Training Needs Assessment (TNA) to ensure that PROTEACH is relevant, effective, and meets the needs of the participants. The link is accessible at **<https://tinyurl.com/TNA4PROTEACH>**, and is open until August 20, 2025.
