DATE : **October 21, 2022**

The recent updates in the directions and priorities of the Department of Education (DepEd) as articulated in the Basic Education Development Plan (BEDP) 2030 and the directions of the current administration call for the alignment of the Indigenous Peoples Education (IPEd) Program with these as it enters its second decade of implementation.

The IPEd Program is also conducting a Program Assessment of its first decade of implementation and the results of these are to be considered in the directions of the second decade of the Program.

To ensure a coordinated transition from the pandemic and the first decade of implementation of the IPEd Program (2011-2021) towards learning recovery and the second decade (2022-2031) of program implementation, the IPEd Program will gather all IPEd regional and division focal persons to a Program Management Workshop organized by clusters to be held at National Educators Academy of the Philippines-National Capital Region (NEAP-NCR), 15 Cepeda St. Concepcion Uno, Marikina City (Clusters 1-4) and PASS Dormitory Conference Hall, DepEd Complex (Cluster 5).

This Program Management Workshop will cover the following:
